## Memo

**To:** QPRC Aquatics Patrons  
**From:** QPRC Aquatics Staff  
**Subject:** **QPRC Aquatics Queanbeyan – Chickenpox Notification**  
**Date:** 19 July 2021

We have been advised that a child attending QPRC Aquatics Queanbeyan for swimming lessons on Sunday 18 July has been diagnosed with a case of Chickenpox. The child was swimming at approximately 11am and may have been contagious whilst attending. Individuals in the same class have been contacted although the name of the infected child will not be disclosed.

Please check your child for symptoms of Chickenpox. Information about Chickenpox is available from NSW Health –  
<https://www.health.nsw.gov.au/Infectious/factsheets/Pages/chickenpox.aspx>.

Areas in the pool have been wiped down with disinfectant in addition to our normal cleaning protocols. We have also superchlorinated the pool.

As per our normal terms and conditions, please do not enter our facilities if you are unwell.

Any queries, please get into contact with us.
