

Memo

To: QPRC Aquatics Patrons
From: QPRC Aquatics Staff
Subject: **QPRC Aquatics Queanbeyan Terms and Conditions (from 8 November 2021)**
Date: 23 November 2021

Please note

The nation-wide response to COVID-19 continues to develop and change.

Sitting above any of our own QPRC terms and conditions are Australian and NSW Government laws, public health orders, policies and procedures. For example, if you are directed by health authorities to self-isolate after visiting a COVID-19 hot spot, you are required to do so and are not permitted to enter our venue.

Changes to terms and conditions

We ask that you read this memo carefully as it has very important details regarding the temporary restrictions and processes that we will be operating under.

We are continuing to follow directions from the NSW Government and these terms and conditions are subject to further change.

Entering our venue

Reopening of our venue is permitted as part of the NSW Government's COVID Roadmap to recovery which begins to lift restrictions as vaccination rates across the state reach 70% and 80%. Patrons must be fully vaccinated to be able to enter the facility. There will be signage asking that you please show your proof of vaccination as it is a condition of entry. Checking vaccination status is not a policy of Council – it is a requirement of the Public Health Orders issued by the NSW Government.

Patrons will not be permitted to enter the venue if unwell. You are strongly advised to attend a COVID-19 testing location if this is the case.

You will also be asked whether you have visited any of the latest COVID-19 hotspots. If you have, you will be required to exit the venue immediately. Hotspots are continually updated from <https://www.nsw.gov.au/covid-19/latest-news-and-updates#latest-covid-19-case-locations-in-nsw>

All individuals must sanitise their hands upon entry.
