

QPRC Aquatics – Venue Hire Terms and Conditions

TERMS AND CONDITIONS (FOR ALL INDIVIDUALS / EXTERNAL HIRERS)

Ownership Acknowledgement

QPRC Aquatics is owned and operated by the Queanbeyan-Palerang Regional Council (QPRC)

Conditions of Entry

Signage

Below is a visual summary of the Conditions of Entry. It is not an all-encompassing list and further details are outlined below.

The sign features a grid of icons and text on a blue background, with a black footer. The icons include: a person diving (prohibited), a person running (prohibited), a lit cigarette (prohibited), a bottle of alcohol (prohibited), a person with a bomb (prohibited), a camera (prohibited), a bicycle (prohibited), a person supervising a child (permitted), a shallow water warning (yellow diamond), a deep water warning (yellow diamond), a steep drop-off warning (yellow diamond), and a slippery surface warning (yellow diamond).

- No diving
- No running
- No smoking
- No alcohol
- No bombing
- No cameras in or around change rooms
- No bikes, scooters or skateboards
- Keep watch, supervise kids around water
- Shallow water
- Deep water
- Steep drop off
- Slippery surfaces

- All signs and directions given by staff shall be obeyed at all times
- User pay upon entry, members must show a valid pass
- Anti-social behaviour will not be tolerated
- Children must be in Year 7 or above to enter unsupervised. ID must be provided. Children younger than Year 7 will need to be supervised by someone 16 years or older. ID must be provided.
- A person with an open wound must not enter the water
- Patrons must wear suitable bathing attire, infants must wear aqua nappies.

General Conditions

Patrons of QPRC Aquatics acknowledge that:

- * They enter QPRC Aquatics at our own risk
- * They will undertake to conduct themselves in an orderly, well behaved and sportsmanlike manner
- * They will not take glass into the venue
- * They will not bring animals (apart from Guide Dogs) into the complex
- * They will not bring alcohol or drugs into the complex
- * They will not be permitted entry to the complex if they are under the influence of drugs/alcohol
- * They will be evicted from the complex if they are under the influence of drugs/alcohol
- * In accordance with NSW Government legislation, smoking is banned within four metres of the building entrance
- * They will comply with all reasonable directions of authorised QPRC staff
- * Children must be accompanied by an adult and responsibility for behaviour and safety of children is that of the parent/guardian/supervisor or carer in attendance.

Entry to the Venue

For Queanbeyan – children must be in Year 7 or above to enter unsupervised. Children younger than Year 7 will need to be supervised by someone 16 years or older. ID must be provided.

For Braidwood, Bungendore and Captains Flat – children under 10 years must be supervised by a person 16 years or older. ID must be provided.

Please consider that the supervisors are appropriate and will provide constant supervision. For example, a sibling may get distracted and swim with their friends instead of supervising younger siblings.

Membership Cards

Membership Cards are to be produced upon each visit to enable entry to the venue.

You must notify the venue if your card is lost or stolen.

No bikes, scooters or skateboards

Bikes, scooters and skateboards are not permitted in the venue. This applies to other similar transportation devices.

These transportation devices may be left or locked up outside the venue.

QPRC Aquatics cannot mind these transportation devices as they block common areas and are a workplace, health and safety issue for patrons and staff.

Valuables

Opportunistic criminals take advantage in public areas and steal people's valuables.

We encourage individuals to secure their valuables by leaving them locked at home, locked in their car, locked up or under constant supervision.

QPRC Aquatics cannot mind valuables as they cannot guarantee their safety.

QPRC Aquatics takes no responsibility for any lost or stolen property.

Swimming Attire

Patrons must wear suitable bathing attire

Outside Food and Beverage

Patrons are permitted to bring food and drinks into the venue for their own consumption.

Rubbish and Recycling

Please dispose of any rubbish and recycling into the appropriate signed bins.

Entry to Change Rooms

Males five years and above are not allowed in female change rooms.

Females five years and above are not allowed in male change rooms.

We understand that we have limited family change rooms. We are looking to rectify this over time but it does require significant financial investment.

Supervision

QPRC Aquatics is a supporter of Royal Life Saving's "Keep Watch at Public Pools"

Royal Life Saving is targeting high-risk areas for toddler drowning deaths such as public pools.

With lack of direct supervision by a parent or carer believed to be a contributing factor in 70% of all drowning deaths at public pools, the Keep Watch at Public Pools program aims to eliminate all drowning deaths and reduce the number of near drowning incidents at these facilities.

The program targets parents and carers of children to help them understand their responsibilities and the dangers of leaving their children unattended at the pool.

KEEP WATCH AT PUBLIC POOL POLICY

ZERO–FIVE YEAR OLDS AND NON-SWIMMERS:

Parents must stay within arms' reach

SIX-10 YEARS OLDS AND WEAK SWIMMERS: Parents must be close, be prepared and maintain constant visual contact

11-14 YEAR OLDS: Parents should maintain visual contact

WHAT IS ACTIVE SUPERVISION AT PUBLIC POOLS?

Active supervision at public pools consists of four key elements:

Be Prepared: Ensure you have everything you need before getting into the water, such as towels and dry clothes.

Be Close: Always be within arms' reach of your child.

All of Your Attention: Focus all of your attention on your child and get into the pool and talk and play with them.

All of the Time: You should never leave your child alone in the water, nor should they be left in the care of an older child or with the assumption that your responsibility diminishes due to the presence of lifeguards.

Mobile Phones

QPRC Aquatics have increasingly noticed that individuals meant to be supervising children are focussed on their mobile phone or other distracting items.

The safety of children is that of the parent/guardian/supervisor or carer in attendance. This is regardless of whether the children is attending swimming lessons or not.

Cameras

The use of cameras and mobile phones in change rooms or toilets is strictly prohibited. To ensure privacy is maintained, the use of cameras, including mobile phones, is only permitted with immediate members of your group.

Dangerous Conduct

Due to the nature Aquatic venues, they can be dangerous places if you are not careful with your conduct.

Therefore, the following activities are prohibited:

No running: there are hard and slippery surfaces that may cause injury if you fall over

Watch out for slippery surfaces: with wet surfaces and bodies, there is a higher chance of slipping or falling over that may cause injury

No diving: into shallow water (under 1.8m in depth)

No bombing, backflips or somersaults: at any time

Look before you leap: ensuring you know the depth of the water and will not make contact with other patrons

Health Risks

A number of health risks are associated with the use of public swimming pools but there are a number of ways in which these risks can be reduced. QPRC Aquatics looks to minimise health risks through pools filtration and disinfection. However there are a few simple standards that can be easily achieved to support optimum water quality. These require the cooperation of patrons and include the following:

- * All patrons must use the toilet facilities
- * Change nappies in toilet areas rather than poolside
- * Wash your hands at the bathroom sink, not in the pool
- * All patrons who are not fully toilet trained must wear aids appropriate for water activities such as correct aqua nappies whilst in the pool. Ordinary nappies (cloth or disposable) are unsuitable for use in the water.
- * Patrons are encouraged to shower prior to entering the pool, particularly after using the toilet
- * Patrons are to notify QPRC Aquatics staff immediately if they see any faecal matter in the pool
- * Patrons with open wounds or wounds that require bandaging, sore and rashes or eye infections should consider not using the pool until these conditions heal
- * Do not blow your nose, spit or spout water whilst in the pool
- * Do not drink the pool water and try to minimise the amount of pool water entering your mouth
- * Patrons who have had diarrhoea within the past 14 days are not permitted to enter the water
- * If you are suffering from a weakened immune system for any reason, you should discuss with your doctor whether you should use a public swimming pool.

Pool Closures

Access to the pool may be limited to the following factors:

Water Quality Incident: There can be accidents i.e. faecal matter in the pool. This can take a significant time to clean and get back to acceptable levels.

Equipment Failure: For example, issues with pumps, electricity outages. This can take a significant time to fix and resume normal operation.

Exclusive Use Booking: At times access may be restricted to the general public due to reasons such as School Swimming Carnivals. These types of events are an important aspect of schooling and patrons are asked for their understanding during the closure periods.

Peak Times: There may be times that all lanes are booked or allocated. For example over Winter, the Indoor Pool at Queanbeyan is generally full due to swimming lessons and squad training between 4:00pm to 6:00pm from Monday to Friday.

Adverse Weather Conditions: Staff may look to close the pool in poor weather such as lightning in the vicinity, extreme cold or windy conditions.

Maximum Patronage: The maximum patronage of the pool is determined by the size of the facility and the number of lifeguards on duty. Please note that on some occasions, the gates will have to close due to patronage reaching its maximum levels. At this time, new patrons can only be admitted as existing patrons leave.

Staff Unavailability: QPRC Aquatics has a high reliance on casual and seasonal employees. With illness and other valid reasons for unavailability such as exams periods, we cannot always get sufficient employees to work. If we cannot get a minimum number of lifeguards to meet requirements, unfortunately we will need to close the entire facility.

If a pool is closed or access restricted, we will look to communicate this via the QPRC Aquatics website and other methods where able to.

Staff Compliance

QPRC Aquatics staff strive to enforce our Conditions of Entry consistently.

There may be times that QPRC Aquatics staff do not see or act on a patron breaking a Condition of Entry. This does not condone the behaviour nor does it give permission for others to break the Conditions of Entry.

We ask that both patrons and staff show respect for each other as well as the venue, Conditions of Entry and equipment in order to assist us in providing a safe and enjoyable environment for all.

Participating In Activities At Own Risk

* With sporting activities, there is an inherent risk of injury

* Users acknowledge that they participate in all QPRC Aquatics activities at their own risk

* Participants indemnify QPRC its servants and agents from and against all claims, actions, losses, damages, penalties, demands or costs whatsoever which may be brought or made against it or them by any person in respect of or arising out of these activities

* The liability of participants to indemnify QPRC is reduced proportionally to the extent that any negligent act or omission of QPRC or its employees has contributed to the injury, damage or loss

* QPRC does not provide any insurance cover for participants. It is recommended that participants have their own insurance for personal injury.

Payment Guidelines

Patrons agree to abide by the QPRC Aquatics – Payment Guidelines.

Digital Media Permission

QPRC want photos/footage of individuals enjoying Queanbeyan-Palerang events, programs, activities and our facilities so we can show everyone what a great place Queanbeyan-Palerang is.

Users give permission to use photos/footage of their participation in activities at QPRC Aquatics in any of our promotional material, websites or social media.

It is your right to request your photo/footage not be taken – and we respect that. Please let us know if you would prefer not to be photographed/filmed.

QPRC undertakes to use these images specifically for Council purposes and in accordance with guidelines for the use of images and young people issued by the Australian Government's Australian Institute of Family Services.

ADDITIONAL TERMS AND CONDITIONS (PER ACTIVITY)

External Hirers

Documentation

External Hirers or Organisations must provide current details of their Public Liability Insurance and Certificate of Currency prior to any booking.

Copies of the first responder's qualifications (Bronze Medallion and CPR) must be provided to the venue prior to, or on the day of the event.

Community Rate

Community groups seeking the community rate are to provide documentation that demonstrates the organisation's not-for-profit status.

One of the documents below must be provided:

- * Copy of the group's Certificate of Incorporation (from the Department of Fair Trading)
- * Income Tax Exempt Charity Statement (from Australian Taxation Office)
- * If you are unable to provide either of the two documents above please provide a written letter to QPRC Aquatics that supports your claim on not-for-profit status.

Other Terms and Conditions

- * It is important for hirers to be aware that it remains responsible for their students/participants at all times whilst at the venue.
- * Staff will be on duty and will assist when necessary, however, total supervision remains the sole responsibility of the hirer
- * All fees payable are for access to the facilities during the booking only. At the conclusion of the activities all participants must leave the centre. If participants have the required permission to remain at the venue, normal admission fees are required to be paid.
- * Responsible/Qualified persons appointed by the hirer are to wear fluorescent vests supplied by QPRC Aquatics for ease of identification.
- * Entry to the venue is permitted 30 minutes prior to the commencement of the booking. Please make arrangements with QPRC Aquatics for access to drop off / pick up equipment for your activities.
- * School groups are to ensure that all responsibilities under Department of Education Guidelines are met.
- * During school carnivals / competitions it is the hirer's responsibility to ensure that all students are actively supervised at all times and provide at least one person poolside with Bronze Medallion and CPR Qualifications. Qualified staff will be at the venue to offer assistance in need.
- * Lifeguards will be on duty at the venue to assist with supervision however this does not negate the need for adequate supervision by the hirer. The number of lifeguards on duty will depend on the number of bathers, activities and programs scheduled.

* Diving at the shallow end of the 50m pool (Less than 1.8m) is prohibited at all times with exception to competitions. Diving in the Indoor Pool is prohibited at all times unless under the direct supervision of a suitably qualified instructor and will only be permitted from the deep end of the pool. (Qualified instructors must make prior arrangements with the venue).

* Participants are not permitted to enter the venue without supervision. It is the hirer's responsibility to; ensure that all participants remain within the venue for the duration of the booking, supervise their participants whilst at the venue including change rooms and kiosk.

* Behaviour that is deemed to be unsafe, abusive or offensive will result in the immediate removal of the person(s) from the venue and may lead to the suspension or cancellation of the booking indefinitely.

* Hirer's are only permitted to use the facilities and equipment that has been booked. Use of additional facilities and/or equipment must be arranged prior to the booking to assess suitable availability.

* It is the hirer's responsibility to leave the premises in a clean and tidy condition. Novelty items such as streamers and balloons are not permitted on the pool concourse.

* Bookings are subject to change without notice. Should this occur every effort will be made to accommodate your booking at a mutually convenient time. Please advise the centre of any changes or cancellation of bookings as soon as possible.

* Kiosk facilities are operated by the venue and the sale of food or drinks is prohibited without the prior approval. Hirer's and organisers are permitted to provide refreshments for officials and volunteers.

* The primary duty of care is the responsibility of the hirer and as such sufficient adequately qualified personnel are required to be in attendance to carry out first aid if required. Staff at the venue will be available to assist in need. Staff are qualified in first aid, oxygen resuscitation / defibrillation and spinal rescue and are to be notified immediately in the case of a major emergency.

* In the case where an emergency requires evacuation from a specific area or entire evacuation of the facilities. QPRC Aquatics staff will direct user groups and their supervisors as required.

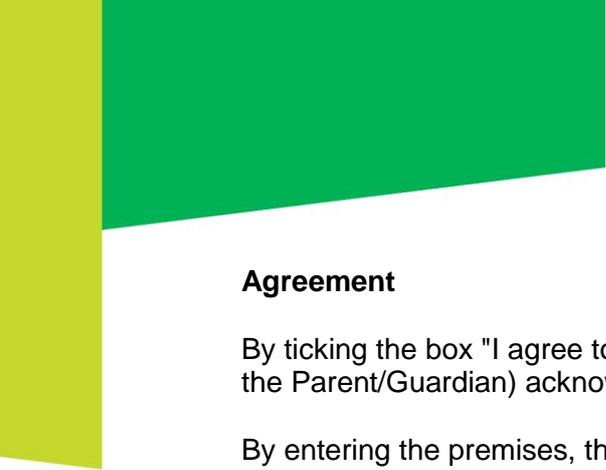

* If any first aid equipment is required please request assistance from staff. There is a First Aid Room located within the venue. Portable First Aid Kits are also available at reception along with resuscitation and defibrillation equipment.

* Hirers who are bringing in their own sound equipment that they must be cognisant of the noise impacts their equipment may have on neighbours to the centre and as such should reduce the level of noise accordingly

* Staff will be on duty and will assist when necessary, however, total supervision remains the sole responsibility of the hirer.

* QPRC Aquatics operates under the Royal Life Saving Society Australia Guidelines for Safe Pool Operations and as such will provide a minimum supervision ratio of one lifeguard to 100 swimmers. During swim meets where there are 16 or fewer swimmers in the pool it will be the responsibility of the hirer to ensure that all swimmers are supervised and at least one person poolside holds a current RLSSA Bronze Medallion.

* QPRC Aquatics can provide a generic risk assessment upon request. This risk assessment has been completed by QPRC Aquatics staff and does not negate the need for hirer's to complete their own risk assessment of the facilities prior to undertaking their activities.

Agreement

By ticking the box "I agree to the Terms & Conditions" the individual (and if applicable the Parent/Guardian) acknowledge and accept the terms and conditions.

By entering the premises, the individual (and if applicable the Parent/Guardian) acknowledge and accept the terms and conditions.
